

Benefits of Laminine

Benefits of Laminine: Along with a myriad of other health benefits, the ingredients in Laminine™ may provide the following benefits to human health:

- **Laminine improves sleep and skin**
 - a. aids restful sleep
 - b. builds collagen for healthier skin
 - c. reduces signs of aging
- **Laminine relieves stress**
 - a. Keeps cortisol levels well-adjusted (the stress hormone)
 - b. Regulates serotonin levels (affect mood and social behaviour, appetite and digestion, sleep, memory and sexual desire)
 - c. Balances out your hormone levels and reduces adrenal fatigue
- **Laminine strengthens physical energy**
 1. Improves stamina and energy
 2. Improves muscle recovery
- **Laminine gives an emotional and mental boost**
 1. Stimulates natural DHEA productivity (steroid hormone, which the body turns into testosterone and estrogen)

2. Improve focus
3. Enhances overall sense of wellbeing
