

Ingredients Digestive +++

Ingredients

Serving Size:	1 Softgel Amount per serving
triGI Proprietary Blend Prebiotic Blend (Short-chain Fructooligosaccharides (FOS), Jerusalem Artichoke, Dandelion Leaves, Yacon Root)	330mg
Probiotic (Bacillus Coagulans)	1.5 billion CFU
Protease (10,500 HUT), Peptidase 2,000 ALU), Amylase (1,750DU), Glucoamylase (4.5 AGU), Invertase (200SU), Acid Maltase (7 MaltU), Lipase(250 FIP), Alpha-galactosidase (75 GalU), Lactose (500ALU)	140mg
Flaxseed Oil Cold Press 50% ALA	556.7mg

Other Ingredients: Gelatin, Glycerin, Beeswax, Purified Water, Sunflower Lecithin (non GMO), Titanium Dioxide, Sodium Copper Chorophyllin, Silicone Dioxide.

Supplement Facts

Digestive +++ is a combination of a probiotic, a prebiotic blend and an enzyme blend that promotes healthy intestines, reduces indigestion and enhances nutrient absorption.

1. **Probiotic** This improves bacterial balance that keeps the

large intestine healthy and functioning well while encouraging neutralising acid in the stomach.

2. *Prebiotic Blend* This blend is composed of potent, all-natural sources that fuel the probiotic in the body which encouraging neutralising acid in the stomach.

- Short-chain Fructooligosaccharides (FOS)
 - Jerusalem Artichoke
 - Dandelion Leaves
 - Yacon Root

3. *Enzyme Blend* This blend works on the small intestine to ensure the proper digestion of food and absorption of nutrients from:

- Proteins – Protease (3), Peptidase.
- Carbohydrates – Amylase, Glucoamylase.
 - Sugars – Invertase, Acid Maltase.
 - Fats – Lipase.
- Alpha-galactosidase (to help digest sugars found in pulses and cruciferous vegetables).
- Lactose (to digest sugars found in milk and dairy products)

WARNING: Consult a physician before taking this product if you are pregnant, lactating, taking any medications or if you have any medical condition. Keep out of reach of children. Store in a dry, cool place and avoid excessive heat. Do not use if seal is broken.
